PARSON TO PERSON

CLING ON TO THE UNCHANGING GOD!

SUMMER PARCON

Last June 20, 2020 (Saturday), the CrossDriven Young Adults' Ministry of GCFSM held a webinar entitled "Dealing with Uncertainty", attended by about 60 youth and young adults via Zoom, and more people joined via FB live. In this webinar, we were blessed to hear testimonies from Ms. Mai Madrigal and Ms. Denise Sanchez. It was amazing to see how these two people, with different experiences, walking in two different seasons of life, and yet, acknowledging the SAME one and only GOD! Even if their points of uncertainty were different, they acknowledged the same God who walked with them through difficult

times, who held them up through challenging moments, and who carried them through dark points in life. What comforted me more is that He is the same God who is at work in my life and yours!

This brings to mind, Isaiah 43:1-3 "But now thus says the Lord, he who created you, O Jacob, he who formed you, O Israel: 'Fear not, for I have redeemed you; I have called you by name, you are mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not

consume you. For I am the Lord your God, the Holy One of Israel, your Savior."

I know that uncertainties can be overwhelming, but in these times when everything keeps on changing, we can cling on to an UNchanging God! He reminds us to fear not, because we are HIS! He created us and He formed us! He has called us by name! **God loves you and me!** He really does! The greatest proof is found at the cross - when He died so that you and I would be saved! He is that same God who cares for us. When situations get dark and gloomy, take a slow,

deep breath - in and out - and remind yourself "God loves me!"

Nevertheless, this does not mean we are exempted from hardships and trials! Just as verse 2 reminds us, we may pass through raging rivers and blazing fires, but our assurance is that God will be with us! Some of us may have lost our job or been stricken with illness. Some may have been dealing with relationship problems, or struggling with careers or unreasonable bosses. Some may have been deprived of an opportunity to even start anew. We may face different

problems in life, but **God is with you and me!** Whatever emotions we may be feeling right now, He understands! Whatever thoughts that may be boggling our minds, He knows. He holds us when we are weak. He embraces us when we feel hopeless. He lifts us up when we feel down. When things are seemingly in chaos -- close your eyes and savor a minute of silence -- then encourage yourself with this truth, "God is with me".

And this God who is with you is the One who is mighty to save! **God is powerful!** There are many plans that we may have made, that somehow have gone away, too soon. There are many

things happening today that are beyond our control, but our confidence lies in the God who is Sovereign. He knows the future! He knows the best solution! And He got all of these for us! When you feel like everything is too heavy -- clench your fist close and then open them up -- release them all up to God in surrender while saying, "God, You are more powerful than I am, these are all yours".

In these times of uncertainty, we have one thing that is certain - GOD! May you continue to cling on to our unchanging God! ✨
