

# BLOOM: FROM ROOTS TO FRUITS

ANNE CAROLYN MAE FELIPE

It is time for the women in our clusters to come together. On August 7, 2021, we have a special speaker, Jennifer Agcaoili, a teacher, a plant enthusiast and founder of PLANT PROJECT PH. She will speak and encourage us to grow in our spiritual lives to BLOOM: ROOTS TO FRUITS based on Jeremiah 17:7-8. She will also give us some tips on how we can grow our plants!

The Lord has given the leadership a "4F" focus for the church, namely: follow-up, fitness, family and fruitfulness. The last, fruitfulness, is very close to my heart as it is my personal desire to bear good fruits for the Lord. However, as I desire life-transformation, it will always go back to the issue of my rootedness in the Word. Jesus' prayer to the Father for the disciples in John 17:17 says, 'sanctify them in the truth, your Word is truth.' Two things I glean from here – the Word of God is truth that will guide us to our new life in the Lord and prayer of the Lord for the disciples' sanctification is holiness and consecration. As such, we see that this does not come in a vacuum. Fruitfulness requires decision and hard work - a response from us, his followers, and it all begins with fighting for our time with God. How is your time with God? It is my prayer that your desire is to Know Jesus and be Like Jesus.

Let us invite the women in our clusters and our friends to participate in this discipleship endeavor so that we may all bloom for the glory of the Lord Jesus!

## BEYOND BLESSED @ 25

The challenges of our day can never stop the Lord, His work and the building up of His church. It is such a great comfort and joy to know and live by these truths that Jesus is the builder, keeper and sustainer of the church (Matthew 16:18; Acts 2:47). Because Jesus is Lord and King, we can hope, believe and stand firm that the good work He has begun will continue until He comes. Truly, we are BEYOND BLESSED because we are called by the Lord to be partakers of His church here at GCF South Metro at such a time as this!

As we prepare for our 25th anniversary celebration, **may we ask you to send us pictures** (In High Resolution) of your Growth Groups or other church activities, especially those taken in the early 2000s. You may send it to [email@gcfsouthmetro.org](mailto:email@gcfsouthmetro.org).

Also, for our GG families, we advise you to update us with your home **addresses, cell phone numbers and t-shirt sizes**. Again,

we need everyone's cooperation so that we can all join the party after our worship service on January 23, 2022.

It is always a joy and privilege to serve God's people in the name of the Lord Jesus! Your pastoral staff is BEYOND BLESSED because we are united by the Love of Jesus. This love allows us to serve all of you with joy and gladness in our hearts. With that, I urge you to continually pray for the GCF South Metro Leadership Team - to seek and obey Jesus only!

We are truly BEYOND BLESSED! ✨
