WHEN GOD CALLS -GOD EQUIPS

EXODUS 31:1-11 | ELDER GILBERT BAYANG

Exodus 31:1-2,6 showed how God called Bezalel, Oholiab and other able men to make all that God had commanded Moses in regard to the items and articles required for the tabernacle. With the intricate details and the degree of specificity to be put into the design and production of the utensils, it seemed too magnificent to bear.

However, God did not just CALL them to a task and left them on their own. God FILLED them with the Holy Spirit. It gave them the assurance to make the things they were called to do. God EQUIPPED them with the ability, intelligence and craftsmanship to fulfill the task that they were called to do. There was no doubt about their success because the one who called them, gave them the power to accomplish the enormous task. Their success would announce the glory of God.

In Exodus 31:1,3 God reminded the people that "ABOVE ALL", they shall keep the Sabbath of the Lord for generations since it signifies that the Almighty God had called them to be His Holy People. No less than the Creator of the universe had made an everlasting covenant with them. He wanted to

commune with them to provide them restoration and the refreshing of their souls.

Today, we shall ponder on the great many benefits of the presence of God in the life of a believer. That even as we are called to be faithful amidst these trying times with all the sufferings (financial, physical, mental, emotional, etc.) felt by many people – WE ARE NOT ALONE. God has sent His Own Spirit to EQUIP us so that we would be equal to the task He calls us to fulfill.

I pray that God would revive our hearts today so that we may forever comprehend that no matter what the future holds, we will not be overcome because God's POWER through His Holy Spirit, the same power that raised Jesus Christ from the dead, LIVES ALSO IN US. ✠
