

WAYFINDING

KAREN MONORY

"You will seek me and find me, when you seek me with all your heart." - Jeremiah 29:13

Wayfinding is the process of determining and following a path or route between an origin and a destination. Nowadays, we have different tools or applications that can help us with our wayfinding. We need not worry about being lost as navigating is now easier and just a click away. We have Google maps and Waze, among the many applications that are available on our phones which make our wayfinding a lot more convenient. We now depend on these tools to ensure that we not only get to our destination safely, but also in the soonest possible time as it directs us to the best possible route.

In life, we all have our fair share of wayfinding. We navigate through life - its ups and downs, victories and defeats, joys and challenges. We seek for guidance, direction, and answer as we make life-changing decisions. Wayfinding, while it will always be part of our life, will also come as a challenge to most, if not all of us. Deciding which path to take, career to pursue, things to surrender, where to

go, goals to achieve, are not easy tasks. We need wisdom, discernment, and courage that come from God alone!

As Christians, our wayfinding journey should always be anchored on God. We are to pursue Him and His will that is always good and perfect. We do this by constantly and consistently spending time with Him and His word. We are to seek Him with all our hearts and resolve to follow Him every step of the way. Amidst all the things that are happening in and around us, the many things to do, the various distractions, the many voices that tell us where to go or what to do, I pray that we will choose to quiet ourselves and seek God. May you continue to put your trust and confidence in the Lord as you navigate your way through life. As Proverbs 3:5-6 says,

*⁵ Trust in the LORD with all your heart,
and do not lean on your own understanding.*

*⁶ In all your ways acknowledge him,
and he will make straight your paths.*

Know that He will be the one to direct our paths.

Young Adults Crossroad

We praise and thank God for the recently concluded YA Crossroad entitled "Wayfinding" last week. It was a rainy weekend, which is not what we hoped and planned for. But the Lord, being a personal and intimate God, allowed us to experience Him in ways we did not even imagine. We continue to be in awe on how the Lord allowed all 42 staff and participants experience His presence in a very special way. Despite having coming from different backgrounds and being in different seasons of life, each felt the hand of God at work. It was a joy and encouragement to not only be with this group of YA, but to witness and hear their testimonies first-hand on how the Lord moved and ministered to them.

We challenge you to join us in praying not only for this group of YA but for our Next Generation as they continue their wayfinding journey. May they continue to choose to seek and put their dependence on the Lord as they choose to obey Him daily.
