CONTINUING IN GOD'S STEADFAST LOVE

PASTOR PARKIN YOUNG | PSALM 36

As we continue our series on Finding Rest, we will learn today about the unending and steadfast love of God, and how that will help us rest in God's love. This psalm of David paints a wonderful picture of what God's steadfast love is all about. In verses 1-4, we see a picture of a man without God's love and presence in his life. We see the root cause of the negative things in verse 1, and that there is no fear of God in the person's eyes. And, we see the result of that fearlessness in how he acts. He is someone who thinks his sins will not be found out (v.2). His speech and actions reflect someone who doesn't turn away from evil but welcomes it (vv.3-4). But, in the next section, we learn about God's love and how it is vast (v.5), righteous (v.6a) and unfathomable (v.6b). God's love is also something that provides refuge to people (v.7). God's love also shows His provisions and how he provides for His people (v.8), and in it, we also find life where we can truly see (v.9)! So, in light of knowing God's love, we find in the last section instructions for us on what we need to do to continue

in God's steadfast love. We are to continue to know God (v.10), we should continue to rely on God (v.11), and we are to continue to trust in God and His sovereignty (v.12).

So, church, as we continue to learn about finding rest, may we continue abiding in God as we live our lives! And, may you be blessed with the assurance of His steadfast love! ✱
