THE POWER OF GOD'S WORD

REV. PARKIN YOUNG | PSALM 12

Psalm 12 is a deliverance psalm written by David during a time when he experienced persecution, specifically about people who uttered lies against him. He asked God to save him because of the experiences that he went through. He described the people as having lips that flatter and have double hearts. These people were saying things that were untrue and words that were lies in verses 1 and 2. That is why David prayed to the Lord as he asked Him to stop these people in verse 3. He described them as being boastful and those who relied on their skills. These people also believed there is no master over them and followed themselves in verse 4.

David tells us how the Lord will vindicate and deliver those who experience this kind of persecution in verse 5. The Lord is not silent when people suffer. He will deliver those who rely on Him, His Words are reliable because they are like silver that is refined and purified, free from impurities as we see in verse 6. We can rely on God's Word as the pure

and true words of God, it is dependable and authentic. The Lord will keep and protect us from people who malign and persecute us. That is the assurance that we have, and it gives us great confidence to know that it is God who said this. And because He said it, we can believe it!

So, as a church we pray that as we experience persecution when we follow God and pursue His calling, we will persevere and trust that God will deliver us from all these. Let us turn to the unfailing, authentic, and pure Word of God that is reliable and trustworthy! That is what we should build our foundation on! Blessed Sunday, Church! ✱
